

# Mid-Semester Exam Information

*STAT3013/STAT4027/STAT8027*

---

- For the exam I will provide you the Table of Common Distributions that is currently on the Wattle site.
- The midterm writing time is 1 1/2 hours.
- The permitted materials for the mid-semester exam are:
  - A4 pages (Two sheets) with notes on both sides (must be hand-written)
  - Paper-based dictionary, no approval required (must be clear of ALL annotations)
  - Calculator (non programmable)
- Study the in-class notes.
- Study the questions from Tutorials 1-5. Solutions for Tutorial 5 will be posted after the Easter Break.
- Sections of Garthwaite, Joliffe, and Jones (SI) that we covered (it is assumed that chapters 1-4 are review from the prerequisite course):
  - Chapter 1
  - Chapter 2
  - Chapter 3.1-3.22 (up to but not including the simplex method), 3.4.1, 3.42 (up to but not including weighted least squares)
  - Even though I did not put down the exercise sections of SI, you should review the tutorial exercises and attempt others from the text.
